Abdel Moez Mohammed

Ottawa, ON, Canada
Email: moezsiddig@gmail.com

Professional Summary

Full-Stack Web Developer currently enrolled in the Circuit Stream Software Development Bootcamp, building complete web applications end to end — from responsive front ends to Node.js/Express back ends with MongoDB data models and Passport.js authentication. Professional driver with over 7 years of Uber experience and more than 4.5 years with Lyft. Former lawyer with over 11 years of legal practice in Sudan.

Education & Credentials

- Software Development Bootcamp (Current), Circuit Stream, Canada
- Higher Diploma in Public Law, University of Khartoum, Sudan (2003)
- Bachelor of Laws (LL.B.), Second Class Honours, Al-Neelain University, Sudan (2001)
- Sudan Secondary School Certificate (1997)
- Bar Admission Examination (2003)
- Licensed Lawyer (2005)

Technical Skills

HTML, CSS, JavaScript, Node.js, Express.js, MongoDB & Mongoose, Passport.js, bcrypt, EJS, RESTful APIs, Git, GitHub, Responsive Web Design, VS Code

Projects

Notes App — Full-stack note-taking web application
Built with Node.js, Express, MongoDB, and EJS. Implemented user authentication with Passport.js and bcrypt password hashing, with full CRUD note management scoped to each logged-in user.
